HELPING DISTRICT ADMINISTRATORS OPTIMIZE SCHOOL INFRASTRUCTURE FUNDING

The Revitalizing Infrastructure for School Education (RISE) program, created by the California Municipal Public Finance Authority (CalMuni PFA), provides California TK-14 school districts with a strategic approach to financing infrastructure projects. By leveraging Proposition 2 (Prop 2) funding and federal tax incentives, RISE enables school districts to reduce costs and modernize facilities through a collaborative, funding program.

HOW YOUR DISTRICT BENEFITS

The RISE program provides School Districts with all the professional and administrative support they need to successfully navigate and execute the funding cycle for capital projects, with the objective of delivering cost free school projects. The goal is to maximize State and Federal subsidies to cover the full cost of each project.
